**Subject:** Concerning the Microsoft Antitrust Case

To whom it may concern,

The antitrust case against Microsoft is of huge importance to the public, and I believe that the public should be made aware of the findings against Microsoft, along with the details of the case.

I believe that Microsoft's consistent and aggressive business tactics have hurt the competitors and consumers in many ways.

I'd be happy to expand on my statement, however I am certain you receive many emails, and probably know much more than I do in this area anyways.

Thanks for your time,
